

The General Services Administration (GSA) will receive \$5.55 billion for building projects and \$300 million for fuel-efficient vehicles from

the Recovery Act. These funds will go towards the furthering the agenda of the GSA to:

- Increase green construction
- Reduce dependence on fossil fuels
- Nationally manage and regionally execute programs
- Promote transparency in government projects

More information about GSA plans can be found by visiting [www.gsa.gov/recovery](http://www.gsa.gov/recovery) .
